ACTING CHAIR'S REPORT by Paul Tooze

The Community Centre continues to be the central hub for the residents of North Taunton, with a footfall of 12,442 using the Centre, or taking part in the many activities offered there over the past year. This footfall demonstrates that the Centre continues to be a much-needed place where local residents can seek guidance and advice. It is also a place where people can come for social interaction, to build friendships, and acts as a vital relief against isolation and loneliness.

The centre continues to offer a wide variety of activities, classes, and workshops, catering for many different interests. Our Pride in Priorswood days are now firmly established in the North Taunton calendar, and offer a wonderful series of events for local families during the Summer holidays. Our bazaars and bric-a-brac sales help to raise funds and also provide local residents with the opportunity to buy low-cost items. We have continued to meet the vast majority of our objectives.

Although I am pleased to report that our accounts are in good order, and sufficient reserves are in place to make the charity secure, it would be amiss of me not to highlight the continued tightening of local authority budgets and funding. The effects of these budgetary cuts will only sharpen in the next few years, and will unfortunately lead to the reduction, or indeed cancellation, of activities and services the Community Centre can offer. All efforts are made to secure and identify other funding streams, however none of these are guaranteed to grant us awards, and leaves a climate of uncertainty for the future.

As many of you know, it has been a sad year, due to the passing of our former Chair, Sue Kilbey. Sue was a remarkable person who took over as Chair when the Centre was in a perilous situation, and when its future was in considerable doubt. However, using her experience and dedication Sue 'steadied the ship' and over the years developed and enhanced the Centre into the wonderful asset for the community that it is now.

We will be renaming one of the rooms in the Centre in honour of Sue, and also planting an appropriate shrub in the Jubilee garden in her memory, which is particularly fitting, given that she was instrumental in

making the garden a reality. The Partnership, and indeed the local area, has lost a true champion.

In my position as acting chair of the Partnership over the past 12 months, I have become even more appreciative of the hard work and dedication shown by both the staff, and many volunteers in the Centre. My sincere thanks are offered to everyone who supports and contributes to the North Taunton Partnership, the partners, and particularly my fellow trustees, whose experience and advice has been invaluable.

Long may the Partnership continue to be a vital lead in the work undertaken in the area.

The Centre received a “highly commended” award from the IMLT for its loan shark project

Crime Prevention Day

MANAGERS REPORT by Lesley Thomas

2016 – 2017 has been another busy year in the life of the Community Centre and I can't believe how time flies, October I have been Manager of the Community Centre for 10 years and how things have changed.

This year we held 2 bazaars and raised £739.21, held an event to mark the Queen's birthday, an event for World Book Day where we sold hundreds of books which had all been donated and raised £92.12, we were invited to decorate a window at St Peters church for their flower festival and had a stall at Rock on the Green and raised £288.00, all of this was on top of our normal daily surgeries, groups and activities.

We continued to work in partnership with various agencies and organisations as well as local schools and colleges; Selworthy School held a fete in the Jubilee Garden outside the Community Centre, The Academy held a Take Over Day in the centre with students coming for the day and literally taking over all the volunteer and staff roles, we attended Lyngford Park school with a stand for their Inspire Day, ran a presentation at Sky College and students from Richard Huish College came as part of their health & social care course to do work placements.

We are always looking at ways to increase skills for not only our staff and volunteers but also the wider community, this year we held dementia training, child protection, fire warden, food safety, 1st aid, mental health awareness, basic reading for adults and walking netball training which lead to a new walking netball group starting in January. We also held 2 six week courses for weight management and a Get Set Grow course. All of this has given local residents the ability to gain new skills to not only enhance their CV and in turn find paid employment but to also gain in confidence.

July is always our busiest time of the year with the summer youth activities on Lyngford Park starting, these took place every Tuesday in the school holidays with activities ranging from a climbing wall, face painter, bouncy castle to archery, sport, music and crafts. These events were well supported again this year with families bringing

picnics and enjoying everything that was on offer. By offering these events right on our door step it means local people don't have to travel, the events are low cost and accessible to all. The economic impact to the area is hugely important with the local shops seeing an increase in footfall and takings. The summer events form part of our Pride in Priorswood, PiP, calendar with other events taking place in the school holidays including the crime prevention day in February, community cooking in October and the Christmas market in December, all of these events would not have taken place without the dedication of Rebecca who organises these events to perfection and I must congratulate and thank her for all her hard work.

This year we were lucky enough to have received a highly commended award from the IMLT for a project we ran to highlight the dangers of borrowing from loan sharks.

We were thrilled to find out that the Community Centre forms part of the Routes to the River Tone and is highlight on the Somerset Wildlife Trusts interpretation boards displayed along the riverside. We also worked alongside the National Trust who held a consultation in the centre to gauge people's views and memories of what Wellington Monument means to them.

You may remember in previous reports that we had some vandalism to our benches in the Jubilee garden, well the good news is this year we received a grant from the Unparished area fund to purchase 2 wrought iron benches and 2 new rubbish bins which have taken pride of place in the garden. The garden continues to blossom and forms a well-loved centre piece to the shopping area.

I would like to take this opportunity to thank everyone who has supported us and made the centre into the community hub it is today, I would like to personally thank the staff, Tracy, Rebecca and Catherine for all their hard work and dedication, to our loyal team of volunteers who gave an incredible 3434 hours of their time and who we would not have been able to function without their support and to our funders and partner organisations.

I would like to finish my report with a special thank you to Sue Kilbey our Chair of trustees who sadly passed away in March, she will be greatly missed by so many but especially to me as she brought so much knowledge, support and friendship, her dedication to the charity has helped to make the community centre what it is today.

I report on the accounts of North Taunton Partnership for the year ended 31st March 2017 which are set out on pages 20 to 22.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

The charity trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to;

- To state whether particular matters have come to my attention

BASIS OF INDEPENDENT EXAMINER'S REPORT

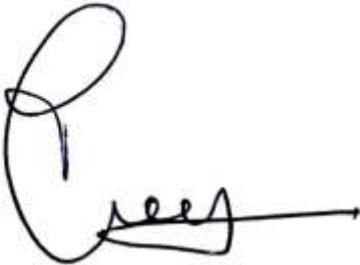

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes a consideration of any unusual issues or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

INDEPENDENT EXAMINER'S STATEMENT

In connection with my examination, no matter has come to my attention which gives me reasonable cause to believe that, in any material respect, the requirements
